Collars

Red Dingo dog collars are not only strong, durable and good looking, they are designed to be extra comfortable for man's best friend. The trademark Bucklebone clip is amongst the strongest side release buckles on the market. The collars are adjustable and the stainless steel D-ring will not rust or discolour the dog's fur.

Webbing Widths

To ensure there is a suitable webbing width for every dog, we have split the medium size (18mm) into two new sizes - 15mm and 20mm. Red Dingo leads are now available in 12, 15, 20 and 25mm. Collars are available in 12, 15, 20 and 25mm. Selected designs are also available in 40mm width.
